## BEFORE FILLING OUT THE FORMS FOR AWARDS PLEASE READ THE FOLLOWING SUGGESTIONS:

**Up To Three Lines for Inscriptions:** Line 1 (below “Presented to”) lists the name of a company or individual. The second line (below the word “for”) is for the name of the winning nomination OR the name of the category. A third line may be added.

**Who Is Entitled to Awards?** Either the company that entered the nomination and won the award OR that entry’s sponsor, as well as any person who was involved with the accomplishment the nomination described.

**Additional Line** can be used to acknowledge an individual contributor to the entry (i.e., CEO, VP, Salesperson, Assistant, etc.).

**Right Spacing:** In preparing the text for awards please look at the photos on the Merchandise page on the Awards’ web site, and you will see that the space is very limited. We assume you would like to have the name of the company printed as large as possible. However, if the name is too long, then smaller type has to be used to fit in the space, or else it must be split into two lines, which makes the setup even smaller. If, for example, the name is “Albert Production and Communication Centers, Inc.”, you will see immediately that this cannot go on one line, but must be broken up into two. But would not “Albert Production Center” be sufficient? Please keep this in mind and apply this principle as well to the spacing of the title of the nomination.

**Authorization:** If you or your company did not enter the winning entry into the Awards, you must supply a letter of authorization from the entering company in order to have your award order processed.

**All Orders** must be neatly written or typed on the *official forms*. You may download fill-in PDFs of the forms from the Merchandise page on the Awards’ web site. **We require up to 8 weeks to fulfill orders**, so we strongly recommend that you submit your order as soon as possible.

**Overseas Delivery:** Shipments overseas can take from 8–12 weeks to reach their final destination. If you prefer to receive your order via expedited courier service, please use the worksheet below to calculate the charges. (This service is only available for orders shipped outside the U.S.)
